EDUCATION

BFA in Photography | 2017 - 2019 | East Carolina University | Greenville, North Carolina

Associates in Fine Arts | 2014 - 2016 | Pitt Community College | Winterville, North Carolina

SKILLS

Proficient in film and digital photography. Have experience with Adobe Software Photoshop, Lightroom, InDesign, and Premier. Able to create ICC profiles for photo paper for accurate color profiles when printing. Create Portrait and Studio lighting for both photo/ videography. Experience in the various roles on a video production team. Skilled in pen and ink and graphite illustrations

EXPERIENCE

Pitt County Schools | 2021 – Present
Hired on as a Level 1 IT Technician to remotely help PCS staff and parents of Distant Learning students. Promoted with-in a year to Level 2 Technician, tasked to help on-site with technology related issues covering several school locations. Held various jobs responsibility including creating visual aids to help staff and parents, and setting up devices for use. I've also been part of the team that records events along with live-streams graduations and Board of Education meetings for PCS. Where I've had to edit some videos, create lower thirds, title cards and upload video onto PCS' YouTube page.

Best Buy | 2006 – 2021
Held various job titles have included Best Buy Key Holder, responsible for opening and closing building while managing employees. Also, held the following leadership roles of SWAT, Lead Home Delivery Driver, and Inventory Senior.

Pitt County Arts Council at Emerge | 2019 - 2020
As the photography instructor, I'm responsible for education of the students, preparing the lesson plans and any extra materials to demonstrate the day's objective. Such as slides shows, materials from supplies closet, and prepping for any demonstration. While keeping the class fun and answering any question the students may have, nurturing their curiosity and artistic growth.

ASAP Photo & Camera | May 2018 – Nov 2018
Responsible for staying knowledgeable with the latest camera technology, capable of demoing various camera and able to troubleshoot client's issues. Help clients determine the best route to revivify their old or damage photographs or artworks.
